EDITORIAL

THREE GEMS

Discipline, dedication and determination are the three precious values one should possess to lead a successful life. Self Discipline is the key word one should practice and lead purposeful life. Lack of these noble values, man will be utter failure. So let us cultivate these precious THREE GEMS – Discipline, dedication and determination. Mahatma Gandhiji practiced these three principles and brought Independence to India.

Students should adopt these three qualities Discipline, dedication and determination and achieve their goals in life.
